3. Allocation

3.1 Eligibility criteria are reviewed annually

3.2 Applicants are considered for bursaries using the information provided at the time of their application only and cannot be reconsidered should their circumstances change during the course of their studies. Bursaries cannot be backdated.

3.3 Students awarded the Care Leaver Bursary may also be eligible for other scholarship/bursary awards. This means that if they are eligible, a Care Leaver can be awarded more than one scholarship or bursary.

3.4 Awards will be made by the Scholarship Allocation Panel in early October and successful applicants will be informed by email. Evidence of Care Leaver status will be required, see section 2c. of these terms and conditions.

3.5 Bursaries are awarded for the current academic year only and cannot be deferred. Applicants who choose to defer their studies will forfeit any awards they have been made but will be considered anew in the year they will begin their studies.

3.6 The decision of the Scholarship Allocation Panel is final. Any appeals in respect of the allocation process should be referred to the [admissions policy](#). An appeal will only be considered in line with procedural irregularities, where a student believes that the University has not followed the procedures

stated within the relevant Scholarship or Bursary Terms and Conditions and there is reasonable doubt as to whether the outcome might have been different had the error not occurred. Any appeals relating to Scholarship or Bursary allocation must be lodged within the student's first academic year at the University. Brunel will not be able to consider later appeals.

4. Payment

4.1 The bursary will be paid in three instalments in each year of a full time course and will not be paid during the placement year of a sandwich course. Students receiving the Care Leavers Bursary will be automatically eligible for an [Unpaid Placement Bursary](#) if they take an unpaid placement.

4.2 Successfully awarded students will be asked to supply relevant UK bank account details to support receipt of the cash payments by no later than the first day of Term 1.

4.3 Payment dates

For cash bursary awards, payment will be made as follows:

Payment 1 - 9th December 2022

Payment 2 - 3rd March 2023

Payment 3 - 9th June 2023

4.4 Conditions of Payment:

- Payments will only be made providing the student is enrolled at the University on an undergraduate degree or PGCE programme and has provided the University with evidence of care leaver status by the deadline specified in their award email.
- Payment in subsequent years will only be made providing the student progresses to the next level of study [*bursary payments will not be made during a repeating year until the student has satisfactorily progressed to the next level*], excluding PGCE.

N.B. Payments will be made directly to a UK bank account and therefore students are required to supply accurate bank account details via their eVision account within the requested time. Failure to provide current valid UK Bank account details will result in delayed payment.

4.5 Where a bursary award spans more than one year, students will be written to in September to confirm ongoing eligibility to receive their bursary award.

5. Withdrawal of a Bursary

5.1 **Misleading information:** The University reserves the right to withdraw a bursary from anyone who is found to have misled the University about any aspect of their eligibility and to seek repayment of any monies already paid by appropriate means.

5.2 **Mode of Attendance Change:** If a student changes to a different mode of study, their eligibility for a bursary will be reviewed. The bursary will be withdrawn if the change is from full time to part time.

5.3 **Changing course and starting again at FHEQ Level 4 (Year 1) – Undergraduate study only:** Students who commence their studies and subsequently make an alteration that involves starting again at Level 4 will not be eligible for a new award against the new course. The existing bursary will be placed on hold and reinstated once the student commences Level 5 subject to meeting the annual bursary progression criteria outlined in Section 4. If a student changes course but remains at the same level of study, this will not have an impact on the award.

5.4 **Changing course – PGCE:** If a student transfers to a course of study outside of the PGCE in Education the bursary will be withdrawn.

5.5 **Abeyance/Temporary Withdrawal:** A student who takes a period of temporary withdrawal (abeyance) and who is in receipt of a bursary award would cease to receive bursary payments whilst temporarily withdrawn. Bursary payments made prior to temporarily withdrawing will not generally be requested to be repaid and remaining payments will generally be paid once the student returns to complete that level of study.

5.6 **Suspension of Study:** Should a student be suspended for any reason, bursary payments will be withdrawn and consideration of reinstatement will be dependent on the disciplinary outcome.

5.7 **Repeat/Extended Study:** Periods of temporary withdrawal that result in repeat or extended periods of study are not supported by additional bursary payments. Bursary entitlement is for the maximum duration of each award and entitlement is not extended if overall course duration alters.

5.8 **Withdrawal from Study:** A student who withdraws from their programme prior to completion and who is in receipt of a bursary award will *not* normally be requested to repay bursary payments made up to the point of withdrawal. However, entitlement to all future bursary payments cease immediately when a student withdraws from Brunel University London.
