This **Partnership Risk Assessment Form** must be completed by the Vice Dean International and/or College-Departmental Member of staff. The Risk Categories set out should be reviewed with consideration for the partner institution and its suitability for partnership with BUL, the country in which the partner is based, the proposed income to be derived, the type of partnerships with basic definitions of the proposed collaboration.

Likelihood = a scored risk factor that should be considered based on its likelihood (relevance) and information about the partner and the proposed partnerships.

Impact = What is the impact 1= **Low Impact** and 5=**High Impact** of the risk. Please see the notes provided for a summary of impacts.

The Risk Level = Likelihood multiplied by Impact. Note that the proposer will be required to set out how any relevant risk (academic/administrative) can be mitigated during the approval process.

Please complete the Risk Summary and Proposed Mitigations (Red Worksheet)
